Light on top of the Hill – Updates & Tidbits

Knights Corner

The Knights of Columbus have four core principles that provide us with strength and guidance through all the good work that we strive to perform.

The first two are:

Charity. Knights recognize that our mission, and our faith in God, compels us to action. There is no better way to experience love and compassion than by helping those in need, a call we answer every day. By each of us working together, we have been able to donate more than \$1.4 billion and 664 million volunteer hours to worthy causes within the past decade.

Unity. None of us is as good as all of us. Members of the Knights of Columbus all know that – together – we can accomplish far more than any of us could individually. So, we stick together...we support one another. That doesn't mean that we always agree or that there is never a difference of opinion. It does mean that – as a Knight of Columbus – you can count on the support and encouragement of your brother Knights as you work to make life better in your parish and community.

Our council welcomes any Catholic man to join in our efforts!

Urgent Request to Assist Seminarian with Kidney Donation

Zac Arnold is a seminarian for the Diocese of Pensacola-Tallahassee who has long been suffering kidney failure and is in need of a transplant. With the support of the Office of Seminarians, his medical team have encouraged him to make a broad appeal across the diocese in the hopes of finding a donor.

Please read his accompanying message and visit his mini-site for more information at www.nkr.org/sly952. Pray for his speedy recovery as he continues his formation.
